

Name _____

Map Activity for
Before the White Men Came to Nisqually Country

Native American Language Map Directions:

1. Compare the Northwest Native American Languages map with the state map provided by your teacher. Can you locate and mark on your language map approximately where you live? What is the name of the tribal group who lived, and may still live, in your area? _____
2. Can you locate the homeland of the Nisqually people? Mark it on the map.
3. Using the map scale, estimate the distance between where you live and the Nisqually homeland. How far is it? _____
4. Using the map compass, you would go in what direction to get to the Nisqually homeland from where you live? (to the north, south, east, or west) _____
